

MARY KAY CLINICAL SOLUTIONS®

Boosters are solution-specific dermocosmetic products containing high-concentration ingredients designed to complement your existing skin care routine.

Depending on the skin care concern, you or your customer may choose to incorporate more than one booster. Learn more in the HOW TO USE section.

Resurfacer

ADD BOOSTERS TO YOUR ALREADY-ESTABLISHED SKIN CARE ROUTINE TO TARGET SPECIFIC SKIN CONCERNS.

BEST FOR	LINES + WRINKLES	HYDRATION	BRIGHTNESS / UNEVEN SKIN TONE	SMOOTHNESS
KEY INGREDIENTS	<p>VITAMIN C: Clinically shown to improve the appearance of lines and wrinkles caused by photodamage.</p> <p>RESVERATROL: A highly potent antioxidant with the ability to fight visible signs of skin aging and protect the skin's surface.</p> <p>ACETYL HEXAPEPTIDE-8: A skin-restoring peptide that helps diminish signals that over time lead to lines and wrinkles.</p>	<p>HYALURONIC ACID (HA): A powerhouse humectant known to bind more than 1,000 times its weight in water. Two forms of HA take a dual-action approach to combating dry skin.</p> <p>CERAMIDE: Essential for the retention of skin moisture.</p> <p>VERBENA OFFICINALIS EXTRACT: A plant extract known to improve skin hydration and support skin barrier function.</p>	<p>FERULIC ACID: A high-potency antioxidant that acts like a shield to defend from external factors that may lead to skin discoloration.</p> <p>NIACINAMIDE: A form of vitamin B3, this essential nutrient is a brightening superpower.</p> <p>NAVY BEAN EXTRACT: An ingredient shown to improve skin brightness and overall appearance of uneven skin tone.</p>	<p>POLY-HYDROXY ACID: PHA provides gentle exfoliation on the skin's surface.</p> <p>ALPHA-HYDROXY ACID: AHA provides deep exfoliation below the skin's surface.</p> <p>GLYCERIN: A humectant that helps boost moisture levels.</p>
KEY BENEFITS	Takes wrinkle reduction to the next level with renowned ingredients.	Supports skin's barrier with a unique boost of highly targeted moisturizing ingredients.	Addresses multiple pathways to reduce uneven skin tone and boost skin's brightness with a trio of proven skin-brightening ingredients.	Accelerates surface skin cell renewal and gently dissolves dead skin cells with a powerful boost of large and small hydroxy acids.
HOW TO USE	After cleansing and toning, squeeze 6 to 8 drops (usage amount may vary depending on personal preference) into hands. Then smooth evenly onto face.			
	<p>This booster can be applied both mornings and evenings.</p> <p>It can be layered with HA + Ceramide Hydrator.</p> <p>If using Retinol 0.3, apply this booster in the mornings.</p>	<p>This booster can be applied both mornings and evenings.</p> <p>It can be layered with any other booster, however, choose ONLY ONE of the other three boosters based on your primary concern.</p> <p>If using HA + Ceramide Hydrator with any of the other three boosters, apply either the Brightener, Resurfacer or Line-Reducer first, then apply the HA+ Ceramide Hydrator as the second booster.</p>	<p>This booster can be applied both mornings and evenings.</p> <p>It can be layered with HA + Ceramide Hydrator.</p> <p>If using Retinol 0.3, apply this booster in the mornings.</p>	<p>This booster can be applied 2 or 3 times per week in the evenings.</p> <p>It can be layered with HA + Ceramide Hydrator.</p> <p>This product contains AHA, which may increase your skin's sensitivity to the sun. Use broad-spectrum SPF sunscreen protection, and limit sun exposure while using this product.</p> <p>DO NOT USE with Clear Proof® products containing salicylic acid or on the same day as other exfoliating products. It is not recommended to use the Resurfacer booster on the same day as Retinol 0.3.</p>
USE-UP RATE AVERAGE	One month when used twice daily	One month when used twice daily	One month when used twice daily	4 to 5 months when used 2 or 3 times per week

Mary Kay Clinical Solutions®
Retinol 0.3

Mary Kay Clinical Solutions®
Dynamic Wrinkle Limiter™

Mary Kay Clinical Solutions®
Barrier Restore 1:1:3

BEST FOR	REDUCE + IMPROVE SIGNS OF SKIN AGING	RELAX THE APPEARANCE OF EXPRESSION LINES	REINFORCE THE SKIN BARRIER + REDUCE REDNESS
KEY INGREDIENTS	<p>RETINOL (VITAMIN A): Supports natural collagen and elastin production, along with improving cell turnover. Many dermatologists consider topical retinol to be the gold-standard ingredient for both reducing and improving the visible signs of skin aging.</p>	<p>FRENCH LAVENDER EXTRACT (<i>Lavandula stoechas</i>): Helps minimize the impact of facial expressions, which cause dynamic wrinkles.</p> <p>ELECTRIC DAISY EXTRACT (<i>Acmella oleracea</i>): A well-known wrinkle relaxant.</p> <p>ROSEMARY EXTRACT (<i>Rosmarinus officinalis</i>): Helps minimize the impact of facial expressions, which cause dynamic wrinkles.</p>	<p>1-PART FATTY ACIDS: Help support skin's natural structure and are essential for maintaining the skin's moisture barrier and preventing water loss.</p> <p>1-PART CERAMIDES: Help maintain and increase skin's moisture levels and protect the skin barrier from environmental stressors.</p> <p>3-PARTS CHOLESTEROL: Help strengthen the skin barrier and improve its ability to retain moisture.</p> <p>The formula also includes ingredients shown to reduce triggers associated with visible facial redness:</p> <ul style="list-style-type: none"> • Date seed extract • Synthetic avenanthramide (key ingredient in oats) • Marine exopolysaccharides
KEY BENEFITS	Clinically shown to improve the look of wrinkles, skin firmness, radiance and smoothness, plus blotchiness.	Clinically shown to visibly reduce lines in forehead, extended crow's feet (toward the temples) and between the brows in as little as four weeks (28 days).*	Clinically shown to start reinforcing the skin barrier by 43% in just 3 hours** and clinically shown to reduce the appearance of skin redness in as little as 2 weeks.***
HOW TO USE	In the evening, apply a pea-sized amount (one pump) of Mary Kay Clinical Solutions® Retinol 0.3 as the last step before your moisturizer, dotting product on forehead, cheeks, nose and chin. Gently smooth onto entire face in an upward, outward motion, avoiding the eye area. Be sure to apply your eye cream BEFORE applying Retinol 0.3. For best results, use within 6 months after opening.	Before applying daily moisturizer in the morning and evening, apply a thin layer to wrinkles on the forehead, between the brows and on the temples (extended outer eye area where the crow's-feet fan out). Avoid the eye area, including the upper eye, eyelid up to the brow bone, undereye, lower lashline and the direct outer corner. If using Retinol 0.3 apply it first before additional treatments.	Apply twice a day as the last step before your preferred moisturizer. If using Retinol 0.3 or additional treatments, apply those first before Barrier Restore 1:1:3.
USE-UP RATE AVERAGE	Three months with once-daily use.	1.1 months when used twice a day (five weeks). Will vary based on individual usage.	1 month when used twice a day.

*Based on an independent clinical bioinstrumentation study of 33 women after using the product twice per day for eight weeks

**Based on a clinical study evaluating 21 panelists who used Barrier Restore 1:1:3 twice daily for three days

***Based on a clinical study evaluating 27 panelists who used Barrier Restore 1:1:3 twice daily for four weeks
